

EMPLOYEE OF THE MONTH

BIMBO ELKHART

TERRENCE WILLIAMS

“The packer I would like to nominate is Terrence Williams. Terrence is the type of associate that comes to work with “happy to be here” attitude. He is all about being a team player and proves it out on the floor. Terrence lives for the reject lines because that’s where he can help the most. Bimbo supervisors have also given him recognition for the outstanding work he does. He has the speed, quality, and an outstanding work ethic. Terrence is a packer you can count on to be present and demonstrates the true meaning of one team. He is the example of associates we want as part of the specialized team.”

Every month, each branch of Specialized Staffing Solutions recognizes and rewards an outstanding associate, Employee of the Month, that exemplifies our core values.
