EMPLOYEE OF THE MONTH

> **BIMBO TOPEKA** <

JACOB PECK

“

Jacob has been a key part of our team since he was hired. His attendance, performance, and attitude exemplify our standards for safety, quality, and culture. He has mastered all functions in the roles of packing and shipping, utilizes his time effectively, and has learned WMS outside the scope of standard job performance. He is always ahead of the curve and has taken on leadership of our process on the dock with pride. We are privileged to work with Jacob and look forward to his continued success!

”

Every month, each branch of Specialized Staffing Solutions recognizes and rewards an outstanding associate, Employee of the Month, that exemplifies our core values.

The 2026 "Investing in Your Future" Award is within reach!

Since 2005, our "Investing in Your Future" program has celebrated one outstanding associate who consistently demonstrates great attendance, performance, and attitude. It's our way of saying thank you for your incredible dedication.

Last January, we were proud to honor **Mica Timmons** as our **2025 Grand Prize winner**. Mica chose the \$20,000 mortgage contribution, a prize that made a real difference for her family.

Now, as we head into the final months of 2026, the question is: Who will we be celebrating next?

Every day is an opportunity to stand out. Keep up the fantastic work, and you could be the one choosing between a new car or a life-changing cash prize next January!

Don't let a fall ruin your summer.

Watch your step!

**National
Safety Month.**
