WILL YOU BE OUR NEXT WINNER?

The 2025 "Investing in Your Future" Award is within reach!

Since 2005, our "Investing in Your Future" program has celebrated one outstanding associate who consistently demonstrates great attendance, performance, and attitude. It's our way of saying thank you for your incredible dedication.

Last January, we were proud to honor **Robert Hibbard as our 2024 Grand Prize winner**. Robert chose the \$20,000 mortgage contribution, a prize that made a real difference for his family.

Now, as we head into the final months of 2025, the question is: Who will we be celebrating next?

Every day is an opportunity to stand out. Keep up the fantastic work, and you could be the one choosing between a new car or a life-changing cash prize next January!

KNOW YOUR LIFTING POWER ZONE

Between your mid-thigh and mid-chest, and closest to your body is where you can lift the MOST with the LEAST amount of effort. Try to keep objects within this zone when lifting or carrying to reduce the potential for injury. **Carry heavy loads closer to the body when lifting or lowering.**
