NEW BENEFIT: LLH HEALTHCARE

Free Healthcare + More Take-Home Pay!

- **Completely Free to You:** You might be wondering how the Live Life Healthy (LLH) program is completely free—it all comes down to a special tax rule.
- **Lower Taxes:** A small amount is taken out of your paycheck before taxes, which directly lowers the amount of taxes you owe. final amount of take-home pay you see on your check!
- **Cash Payout:** A cash wellness payout is then put right back into that very same paycheck.
- **Bigger Check:** Because of these tax savings, this program actually increases the final amount of take-home pay you see on your check!

Last January, we were proud to honor **Mica Timmons** as our **2025 Grand Prize winner**. Mica chose the \$20,000 mortgage contribution, a prize that made a real difference for her family.

Now, as we head into the final months of 2026, the question is: Who will we be celebrating next?

Every day is an opportunity to stand out. Keep up the fantastic work, and you could be the one choosing between a new car or a life-changing cash prize next January!
