FLU SEASON IS HERE!

Take advantage of your benefits this flu season and help keep yourself and your family healthy.

Fall and winter wellness starts now. Protect yourself, your coworkers, and your household by scheduling your annual flu shot early this season. While vaccines are administered at local pharmacies and clinics, your **Live Life Healthy (LLH) benefits** provide zero-cost virtual care to keep you covered.

Free Virtual Consultations: Use free 24/7 Virtual Primary Care to consult a doctor on seasonal wellness and find local, low-cost flu shots.

\$0 Flu Treatment: If you get sick, connect with 24/7 virtual care for a quick diagnosis and access eligible generic prescriptions at a \$0 copay.

Don't forget your LLH digital ID. Have your card open on your phone when you arrive at the pharmacy, and present it before your vaccination is processed to check for your discounted price.

WILL YOU BE OUR NEXT WINNER?

The 2026 "Investing in Your Future" Award is within reach!

Since 2005, our "Investing in Your Future" program has celebrated one outstanding associate who consistently demonstrates great attendance, performance, and attitude. It's our way of saying thank you for your incredible dedication.

Last January, we were proud to honor **Mica Timmons** as our **2025 Grand Prize winner**. Mica chose the \$20,000 mortgage contribution, a prize that made a real difference for her family.

Now, as we head into the final months of 2026, the question is: Who will we be celebrating next?

Every day is an opportunity to stand out. Keep up the fantastic work, and you could be the one choosing between a new car or a life-changing cash prize next January!
